The Leland High School Parent Club strives to make a positive impact on the classroom environment and student programs. The Parent Club is composed of an enthusiastic group of volunteers, who work closely with the Leland Principal, administration and staff to help define, organize and financially support various activities, programs and events at Leland High School. With your help, we will provide funding and materials for educational enhancement and student development while building a solid foundation for continued growth.

The Leland Parent Club goal of \$50,000 will support activities and programs such as:

- Technology to the Classrooms
- Teachers Wish List
- On-site Student Counseling
- Senior Awards Recognition
- Every 15 Minutes Program
- Charger Student Newspaper Mailing
- Grad Night
- Career Day
- Teacher Appreciation Events

Please help Parent Club match or exceed our budget amount of **\$50,000** for the 2008-2009 school year.
